

## BluShield Pressure Washer Inlet Hose

The BluShield In-let Hose is the perfect addition to your pressure washer set-up. Your pressure washer needs water in and the larger the diameter of your inlet hose the greater water flow is into your pressure washer. This means less interruption of the flow of water and allows your pressure washer to operate more efficiently. The BluShield In-let Hose is 100% rubber and is the lightest, strongest, most flexible rubber water hose available anywhere.

### Features

- 10 year limited warranty
- 100% rubber construction
- 40% lighter water hose than standard rubber water hose
- 3/4" GHT plated brass fittings
- High strength polyester woven braided reinforcement
- 500 PSI minimum burst pressure
- 3:1 Safety factor
- Handles hot water up to 212°F.
- Maintains integrity under extreme weather conditions
- Flexibility from -50° F to +190° F.
- Ozone resistant
- Abrasion resistant
- Kink Resistant
- 4 finger grip bend restrictor for better use & easier control over the hose.
